

MBP11 - Quick Start Guide

For a full explanation of all features and instructions, please refer to the User's Guide.

1. Setting up your digital baby monitor

1.1 Baby unit power supply

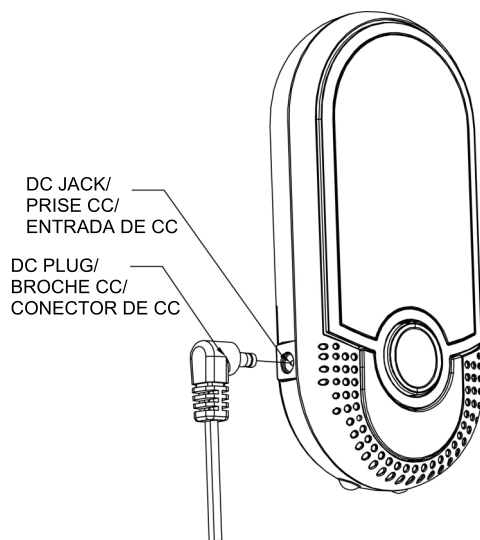

1. Insert the small plug of the power adapter into the side of the baby unit, as shown.
2. Connect the other end of the power adapter to the mains socket / power outlet

WARNING:

STRANGULATION HAZARD - Keep the unit and adapter cord more than 3 feet from the crib and out of baby's reach.

NEVER place camera or cords within the crib. Secure the cord more than 3 feet away from baby's reach.

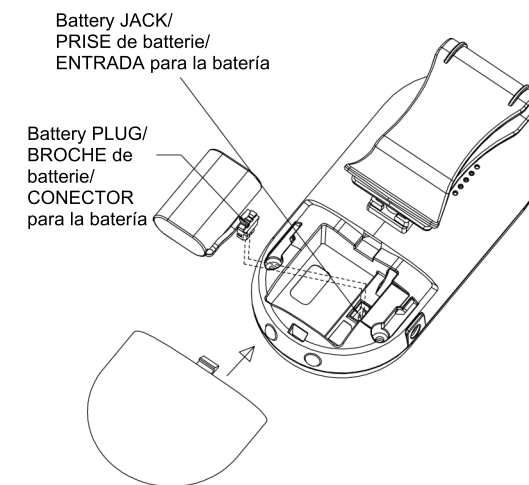

Never use extension cords with AC Adapters. Only use the AC Adapters provided.

1
