USER'S GUIDE

**Smart Nursery
Baby-and-Me Scale**

Model: MBP84SN

The features described in this guide are subject to modifications without prior notice.

Welcome...

to your new Motorola Baby-and-Me Scale!

Thank you for purchasing your new Motorola Baby-and-Me Scale.

The Baby-and-Me Scale is designed to help mothers keep track of their own weight and their baby's weight in a smart way. It can withstand a maximum weight of up to 150 kgs (330lbs) and is powered by AAA batteries (LR03). Babies and very small children can be weighed while being held in the arms of a mother or helper.

The Scale provides measurement reading, history and recommendations via "Hubble Connect for Smart Nursery" App. The app also calculates your BMI according to your weight & height.

Please keep your original dated sales receipt for your records. For warranty service of your Motorola product, you will need to provide a copy of your dated sales receipt to confirm warranty status. Registration is not required for warranty coverage.

1. Safety Instructions

WARNING

This product is compliant with all relevant electromagnetic field standards and is, when handled as described in the User's Guide, safe to use. Therefore, always read the instructions in this User's Guide carefully before using the device.

- Do not drop the Scale.
- Do not weigh loads totalling more than 150 kgs (330lbs).
- Do not expose the Scale to excess moisture or humidity.
- This product is not a toy. Do not allow children to play with it.
- Keep this User's Guide for future reference.
- Test the product and all its functions so that you are familiar with it prior to use.
- Do not install the Scale near a heat source.
- To clean the Scale, wipe surfaces with a damp cloth. Never put the Scale into water.
- Only use the same battery type This product uses replaceable battery AAA sized battery cells (LR03).
- Do not touch the battery contacts with sharp or metal objects.
- This device can be used by children aged 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the device in a safe way and understand the hazards involved.
- Children shall not play with the device.
- Cleaning and user maintenance shall not be made by children without supervision.

CAUTION

There is danger of explosion if the battery is replaced by an incorrect type. Dispose of used batteries according to their instructions.

Important guidelines for installing your Scale

- Use of other 2.4 GHz products, such as other wireless networks or microwave ovens may cause interference with this product. Keep the Scale away from these types of products, or turn them off if they appear to be causing interference.
- Always ensure that you have a good Bluetooth® connection available.
- Place the Scale on a hard, level surface. Soft or uneven surfaces may cause small errors in weighing.

2. System Requirements

Smartphones/Tablets: Android™ and iOS® only.

Minimum requirement: iOS® 8.0, Android™ 4.4.2 or above.

For more information, please visit: <https://hubbleconnected.com/requirements>

3. Getting Started

3.1 Power on the Scale

1. The Scale uses replaceable batteries (AAA size/LR03) and 3 Batteries were pre-installed into the battery compartment. Please remove the battery insulating tab before use.
2. The Scale powers on automatically when the batteries are installed correctly. The LCD will display 8888.

Remove the battery insulating tab before use.

Note

- Batteries are to be installed with the correct polarity.
- Do not mix batteries of different types or mix old and new batteries.
- If the Scale is to be stored unused for a long period of time, the batteries should be removed.
- The battery contacts are not to be short-circuited. You can only setup via a compatible smartphone or tablet and not via a PC.

3.2 User Account and Scale Setup on Android™ Devices / iPhone®/ iPad®

What you need

- Baby-and-Me Scale
- Device with Android™ system / iPhone® / iPad®

3.3 Download Hubble Connect for Smart Nursery App

- Go to Google Play™ Store to search for "Hubble Connect for Smart Nursery".
- Download "Hubble Connect for Smart Nursery" App and install it on your Android™ device
- Or
- Go to App Store to search for "Hubble Connect for Smart Nursery".
- Download "Hubble Connect for Smart Nursery" App and install it on your iPhone®/ iPad®.

3.4 Run Hubble Connect for Smart Nursery App on Android™ device / iPhone®/ iPad®

- Ensure that your Android™ Device / iPhone®/ iPad® is connected to the Wi-Fi® router or a mobile network.
- Run "Hubble Connect for Smart Nursery" App, SIGN IN by entering your account information, read through the Terms of Service, then select "I agree to the Terms of Use". (Picture A2)

Note

If you already have a Smart Nursery App account, please select **Already have an Account?** to go to the next step.

A1

A2

3.5 Add the Scale to your account

- Tap on **Smart Scale** on screen to add Scale. (Picture A3)

A3

- Tap on **Skip to Setup**, the following setup instructions will appear on the screen. (Picture A4)
- Press and hold the **PAIR** button on the back of the Scale (picture A4) until the **PAIRING** symbol appears on the LCD.

A4

- Then scroll to the screen on your smart device as shown in picture A5 .

- Tap on **Start Pairing**.

A5

- Turn on the Bluetooth® function of your smart device as shown in picture A6. If Bluetooth® function is on, then skip to the next step.

A6

- It will take a few minutes for your smart device to locate the Scale.

- Tap on the Mac address number under **Device found** to confirm Bluetooth® connection. (Picture A7)

A7

A8

- Picture A8 appears when the setup is successful. You can create profile of your baby and family by tapping **Add Profile**.
- If connection fails, please tap **Retry** and repeat the steps starting from 3.5.
- Follow the steps in the app to set your personal profile, weight monitoring and tracking.

4. Using the Scale

4.1 Select Weighing Unit: Stones (st), Pounds (lb) or Kilograms (kg)

Short press the **PAIR** button on the underside of the Scale to select **st**, **lb** or **kg**.

4.2 Change Weighing Mode

Slide the hard switch in the battery compartment to the right to enter Normal Mode and slide to the left to enter Baby-and-Me mode.

4.3 Weighing in Normal Mode

1. Slide the weighing mode switch to the right to enter Normal Mode.
2. Place the Scale on a flat and hard surface, such as hardwood or ceramic tile flooring.
3. Step onto the Scale barefoot and stand still until the readings on the LCD stabilises.
4. Tap the **Scan**  button on the App to transmit the weight data from the Scale to your smart device.

The Scale will display your weight for about 3 minutes and then shut off automatically if the transmission is successful.

If transmission fails, an error icon will appear on the LCD screen.

The weight data will be saved in the Scale and the data will be pushed to your smart device when you tap the **Scan**  button on the App.

4.4 Weighing in Baby-and-Me Mode

1. Slide the weighing mode switch to the left to enter Baby-and-Me mode.
2. Place the Scale on a flat and hard surface, such as hardwood or ceramic tile flooring.
3. Step onto the Scale barefoot.
4. The Scale powers on automatically and  Baby-and-Me mode icon lights up.
5. Stand still until the readings on the LCD stabilises.
6. Tap the **Scan**  button on the App to transmit the weight data from the Scale to your smart device.
7. About 3 seconds after your weight is locked,  icon will light up and the Scale restores to zero automatically.
8. Hold the baby in your arms, step onto the Scale and stand still until the readings on the LCD stabilises.
9. When the baby's weight is locked,  icon goes off while the baby indicator remains on.
10. Your baby's weight will be transmitted to your smart device and displayed on the LCD for about 3 minutes before the Scale powers off automatically.

4.5 Overview of the Features on Hubble App

	Scan New Readings	Tap the button to transmit the weight data from the Scale to your smart device.
	Add New Profile	Tap the button to create profiles of your baby and family (Up to 4 profiles max). Key in Name, Gender, Date of Birth and Height. The last measured weight will be automatically added to the profile by tapping the Scan  button on the App.
	Edit Profile	Tap to select Edit Profile option in the Scale Name Menu .

5. Disposal of the Device (Environment)

At the end of the product life cycle, you should not dispose of this product with normal household waste. Take this product to a collection point for the recycling of electrical and electronic equipment. The symbol on the product, user's guide and/or box indicates this.

Some of the product materials can be re-used if you take them to a recycling point. By reusing some parts or raw materials from used products you make an important contribution to the protection of the environment.

Please contact your local authorities in case you need more information on the collection points in your area.

Dispose of the battery pack in an environmentally-friendly manner according to your local regulations.

6. Cleaning

Clean your Scale with a slightly damp cloth or with an antistatic cloth. Never use cleaning agents or abrasive solvents.

Cleaning and care

- Do not clean any part of the Scale with thinners or other solvents and chemicals - this may cause permanent damage to the product which is not covered by the warranty.
- Keep your Scale away from hot, humid areas or strong sunlight, and do not let it get wet.
- Every effort has been made to ensure high standards of reliability of your Scale. However, if something does go wrong, please do not try to repair it yourself - contact Customer Service for assistance.

7. Help

Display

No display

- Try recharging or replacing the AAA battery cells.
- Reset the Scale.
Remove the battery cells then insert them back in.
- Is the Scale turned on?
Step on the Scale to turn it ON.
- The display will go blank 3 minutes after you step off the Scale.
You can reactivate the Scale by stepping on it.

Registration

If the Scale has lost its Bluetooth® link with your Smart Device

- Try replacing the AAA battery cells.
- If your Smart Device is too far away it may be going out of range, so move the Smart Device closer to the Scale.
- See “Add the Scale to your account” on page 11, if there is a need to pair the Scale and your Smart Device again.

Interference

- Use of other 2.4 GHz products, such as wireless networks (Wi-Fi® routers), Bluetooth™ systems, or microwave ovens, may cause interference with this product. Keep the Scale at least 5ft (1.5m) away from these types of products, or turn them off if they appear to be causing interference.

My Smart Device synced during my first weigh-in, but now it won't sync any others.

- Make sure that Hubble Connect for Smart Nursery app is opened when you weigh-in.
- Try to unpair and pair your Smart Device with the Scale again to see if that resolves the issue.

Inaccurate Measurement

- Make sure the Scale is placed on a flat and hard surface, such as hardwood or ceramic tile flooring.

Consumer Products and Accessories Limited Warranty ("Warranty")

Thank you for purchasing this Motorola branded product manufactured under license by Binatone Electronics International Ltd ("BINATONE").

What Does this Warranty Cover?

Subject to the exclusions contained below, BINATONE warrants that this Motorola branded product ("Product") or certified accessory ("Accessory") sold for use with this product is manufactured to be free from defects in materials and workmanship under normal consumer usage for the period outlined below. This Warranty is your exclusive warranty and is not transferable.

Who is covered?

This Warranty extends only to the first consumer purchaser, and is not transferable.

What will BINATONE do?

BINATONE or its authorised distributor at its option and within a commercially reasonable time, will at no charge repair or replace any Products or Accessories that does not conform to this Warranty. We may use functionally equivalent reconditioned/ refurbished/ pre-owned or new Products, Accessories or parts.

What Other Limitations Are There?

ANY IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED TO THE DURATION OF THIS LIMITED WARRANTY, OTHERWISE THE REPAIR OR REPLACEMENT PROVIDED UNDER THIS EXPRESS LIMITED WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER, AND IS PROVIDED IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. IN NO EVENT SHALL MOTOROLA OR BINATONE BE LIABLE, WHETHER IN CONTRACT OR TORT (INCLUDING NEGLIGENCE) FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE PRODUCT OR ACCESSORY, OR FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, OR LOSS OF REVENUE OR PROFITS, LOSS OF BUSINESS, LOSS OF INFORMATION OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE ABILITY OR INABILITY TO USE THE PRODUCTS OR ACCESSORIES TO THE FULL EXTENT THESE DAMAGES MAY BE DISCLAIMED BY LAW.

Some jurisdictions do not allow the limitation or exclusion of incidental or consequential damages, or limitation on the length of an implied warranty, so the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights that vary from one jurisdiction to another.

Products Covered	Length of Coverage
Consumer Products	One (1) year from the date of the Products, original purchase by the first consumer purchaser of the product.
Consumer Accessories	Ninety (90) days from the date of the Accessories, original purchase by the first consumer purchaser of the product.
Consumer Products and Accessories that are Repaired or Replaced	The balance of the original warranty or for Ninety (90) days from the date returned to the consumer, whichever is longer.

Exclusions

Normal Wear and Tear. Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

Batteries. Only batteries whose fully charged capacity falls below 80% of their rated capacity and batteries that leak are covered by this Warranty.

Abuse & Misuse. Defects or damage that result from: (a) improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the product resulting from misuse; (b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; (c) use of the Products or Accessories for commercial purposes or subjecting the Product or Accessory to abnormal usage or conditions; or (d) other acts which are not the fault of MOTOROLA or BINATONE, are excluded from coverage.

Use of Non-Motorola branded Products and Accessories. Defects or damage that result from the use of Non-Motorola branded or certified Products or Accessories or other peripheral equipment are excluded from coverage.

Unauthorised Service or Modification. Defects or damages resulting from service, testing, adjustment, installation, maintenance, alteration, or modification in any way by someone other than MOTOROLA, BINATONE or its authorised service centres, are excluded from coverage.

Altered Products. Products or Accessories with (a) serial numbers or date tags that have been removed, altered or obliterated; (b) broken seals or that show evidence of tampering; (c) mismatched board serial numbers; or (d) nonconforming or non-Motorola branded housings, or parts, are excluded from coverage.

Communication Services. Defects, damages, or the failure of Products or Accessories due to any communication service or signal you may subscribe to or use with the Products or Accessories is excluded from coverage.

How to Obtain Warranty Service or Other Information?

To obtain service or information, please call:

+44 (0) 844 557 0890 (UK only)*

**Calls cost 7p per minute plus your telephone company's access charge*

+44 (0) 8187 62092 (ROI)

You will receive instructions on how to ship the Products or Accessories at your expense and risk, to a BINATONE Authorised Repair Centre.

To obtain service, you must include: (a) the Product or Accessory; (b) the original proof of purchase (receipt) which includes the date, place and seller of the Product; (c) if a warranty card was included in your box, a completed warranty card showing the serial number of the Product; (d) a written description of the problem; and, most importantly; (e) your address and telephone number.

These terms and conditions constitute the complete warranty agreement between you and BINATONE regarding the Products or Accessories purchased by you, and supersede any prior agreement or representations, including representations made in any literature publications or promotional materials issued by BINATONE or representations made by any agent employee or staff of BINATONE, that may have been made in connection with the said purchase.
